
Post-test QUESTIONNAIRE

Title of Study: User experience

Professor: _____

Experimenters: _____

Identifier: _____

The purpose of this questionnaire is to express your satisfaction with the usability of the system you have tested. Your answers will help us understand what aspects of the system you liked or disliked. If possible, think about tasks or actions you have performed with the system when answering the questions. Thank you very much!

Q1. UEQ

For the assessment of the product, please fill out the following questionnaire. The questionnaire consists of pairs of contrasting attributes that may apply to the product. The circles between the attributes represent gradations between the opposites. You can express your agreement with the attributes by ticking the circle that most closely reflects your impression.

Example:

attractive ○ ⊗ ○ ○ ○ ○ ○ unattractive

This response would mean that you rate the application as more attractive than unattractive.

It is your personal opinion that counts. Please remember: there is no wrong or right answer!

Please assess the product now by ticking one circle per line.
